September 16, 2019 Meeting

We will be having our first meeting of the school year on **Monday September 16th at 4:30 p.m.** As usual, we will be meeting in **Room 303 of the Orozco Professional Development Complex.** We will have a good time of sharing and of taking care of business. Perhaps you might bring a friend!

What to bring:

- Donations of socks (including the no-show variety) for homeless students of PISD
- Donations of tote bags, reusable shopping bags, etc for use of the homeless students
- At least one name and contact information for a possible Zeta Omega member.

Summer Fun Zeta Omega Style

You may know that for many years Dana has played team volleyball. Now she plays in the Senior Games. Here she is on the cover of Sports Illustrated. Go Dana!

Monique and Diane attended the Texas State Convention in Arlington in June. Here they are during the Birthday Luncheon. Doesn't Monique look glamorous!

Ana and her family enjoyed some time in beautiful Sedona, Arizona..

Traci and her husband Leon celebrated their 25th anniversary at Niagara Falls.

Diane attended the International Technology Conference in Costa Mesa, CA where she served on a panel of "experts."

DiAnn and her husband took a road trip and visited her sister. While there, they went to the Grand Ole Opry.

From Noelia, "Our family vacation took us to Estes Park, CO. While there we visited the Garden of the Gods in Colorado Springs,"

Grant-In-Aid Recipient

At the Founders' Day Luncheon, Monique and Carol presented a certificate to our 2019 Grant-in-Aid recipient Victoria Solis. Victoria is a graduate of J.Frank Dobie High School. She is also a 2016 Music Doing Good scholarship winner. Victoria is going to pursue a degree in music education at Texas Tech University to become an orchestra director in order to share her musical talents with her future students.

Many thanks to Carol for coordinating our Grant-in-Aid project and for Monique for serving on the review committee. Well done, ladies!

Members who want to help support this program may make donations to the Zeta Omega Grant-in-Aid Fund.

Nine \$1000.00 Aspiring Educator Grants were awarded by ASTEF for 2019. Do you know someone who is in their last two years of studying for a teaching certification? They could be eligible for this monetary award.

What does the World Fellowship Committee do? You can read what one WF recipient is doing...

Malnutrition is one of the worst health problems in Zimbabwe and for years it has been the main concern of a woman leader, Gugulethu Moyo. DKG recognized her leadership efforts to create a better way to help children, not to wait until they are severely malnourished before providing them with nutritional assistance. Instead she wants to develop sustainable nutritional interventions that promote community ownership and use of local resources.

How has DKG recognized her efforts and given a helping hand to children from Zimbabwe? By giving Gugulethu a DKG world fellowship award that will help her to pursue her Ph.D. dream in nutrition in a U.S. university. With the knowledge and skills she is developing, she will fight against the lack of critical mass of Ph.D qualified nutrition scientists in Zimbabwe and forge ahead with her research findings.

Gugulethu told us: "I am thankful to Delta Kappa Gamma for covering a portion of my tuition. Without this support I would not be here, working towards my dream of a research and teaching career."

One More Thing...

The DKG website, www.dkg.org, is almost unusable if you can't unlock its many resources as a member. It is free and simple to set up your account. Why do you need an account? It's all about security of your personal information. It begins with your membership number as your login name. Your member number is listed with your name on our Member List. The password is generic and may be obtained from the Diane. After setting up your account, you should change your password to something you will remember. Here is a video explaining the process: <https://youtu.be/Nn7-26BpWB8>

Our Mission

The Delta Kappa Gamma Society International and Zeta Omega Chapter, Texas State Organization of The Delta Kappa Gamma Society International promote professional and personal growth of women educators and excellence in education.
