Hello All,

Happy Autumn! Thank you for joining and participating during our September meeting. I enjoyed our meeting and discussing the video from Nadia Lopez (Keynote Speaker at 2018 DKG International Convention). Nadia's message serves as a daily reminder of why your life's work has a tremendous impact on so many.

I hope that the rest of the information that we shared during our September meeting was useful and I encourage you to join us for our **next meeting on October 20th.**

As we near the end of 2020, it is difficult not to focus on all the unprecedented events that we have experienced this year. However, I hope each of you can find time to focus on those things that remain the same. Like we do each year, we can finally experience a bit cooler weather and enjoy a refreshing breeze. We can see the leaves turn orange, slowly falling and assembling into different colors on the ground. It is my hope that the cyclical nature of the season brings you a bit of joy and a sense of normalcy to your life. Together, we will get through these challenging times. As always, please reach out and let me know if there is anything that I can do to support you. Take care!

Sincerely,

Ana Gonzalez
