## A Word from Ana

Hello All,

I am sure that you agree with me that this summer has been one of the “sunniest” that we have had in a long time. I cannot recall the last day that the temperature was even tolerable. Lots of sun—little or no rain—lots of sun. Repeat. Well, where there is sunshine, there is also good news! What is that you ask? Well, I get to communicate with you again!

Believe it or not, our students and teachers are heading back to campus in just a few days. Soon, our classrooms will be filled with laughter and smiles—the beginning of new friendships and the enrichment of new learning experiences. Our teachers will decorate their new rooms and continue filling our children’s minds with new knowledge and skills.

Each day I remind myself how honored I am to know each of you. Your active participation and service to our community and this chapter is truly inspiring and the reason that each of you is a role model to me. That is why I am honored to continue serving you as your chapter president for this next biennium. As I do so, I look forward to relying on your support and guidance. Please reach out if there is anything that I can do to make this year the most memorable yet!

Serving you,  
Ana Gonzalez

## Upcoming Meeting - September 13, 2022

Our first meeting of this year will be held on **Tuesday September 13** at the Orozco Professional Development Complex in room 303. We look forward to seeing you all there. I program will be presented by **Andrea Rojas** who is the new Dropout Prevention Caseworker with PISD working with our Homeless program.

We also want to **continue helping to meeting the needs** of this student population. Please consider bringing donations of personal hygiene items, socks and undergarments for youth, and teen backpacks.

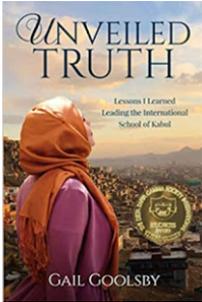

## Other Upcoming Events

### Fall Area Three Workshop - Saturday September 17, 2022

Come and join us at the Area 3 Fall Workshop to be held at the Dobie Ninth Grade Center (10811 Monroe Boulevard, Houston, TX 77075). You will be able to enjoy fellowshiping with DKG members from other chapters in the Greater Houston Area and will also be able to attend informative breakout sessions. Entrance fee is \$25.00. We would love to see you there!

### Beta Eta Special Chapter Meeting Saturday October 8, 2022

We are invited to a Beta Eta chapter meeting to hear from Gail Goolsby MA, MEd, ACC Who is the award-winning author of *Unveiled Truth: Lessons I Learned Leading the International School of Kabul*. If you attended our April 2022 meeting you will remember that we had a program about that book. Now we have the opportunity to hear from the author herself as she speaks about her experiences in Afghanistan.

This special meeting is to be held at the Zion Lutheran Church, 505 East Sam Houston Parkway, Pasadena 77505. The meeting begins at 10:15 am. We need to let the chapter know if we are planning to attend.

## DKGTexas State Convention Report

Our chapter treasurer and editor, Diane Moose, attended the DKG Texas 93rd State Convention in Lubbock this past June. At this convention there were many very interesting breakout sessions to attend and plenty of time to meet with long-time friends. There was also the opportunity to make new friends...which I did! There were art exhibits showcasing art works from local students and from DKG members. There were several very entertaining and inspirational speakers including our International Representative Helen Popovich who delighted us with her informative talk. Members enjoyed a special **ASTE** event where tons of door prizes were given out and \$14,982 in Project Grants money was awarded. We collected almost \$3000.00 for the International Emergency Fund and about \$ for our Unifying Project, [Shelby's Bridge](#).

You may access many of the convention materials by visiting the [Convention Page](#). There you will find photos from the event as well as the Convention Program and handouts from breakout sessions.

## What Have We Been Doing? (Gleaned from Facebook)

Darla

**Darla Kelly** and her husband have been with students at the 2022 State Games of America in Ames, Iowa where Pasadena kiddos won lots of swimming medals. It seems that Darla and her husband were also part of a relay swim team (senior level) that won a second place medal at these games. You may recall that Darla is an award-winning swim coach at Pasadena High School.

Dana

Our friend **Dana Tarter** has had a busy summer also. It seems that she enjoyed playing volleyball in the Senior Games in Florida where her team won several medals. Somewhere in the summer she found time to visit Costa Rica and the British Isles. Dana is always a busy girl!

*JOURNEY - Which way will you go?*

**Colleen Terrell** continues to enjoy working for a certain photography studio. She took a Texas History 2022 trip with a group of friends this summer. They seemed to have visited plenty of key Texas-history type places. Earlier in the year, she visited her hometown of Buffalo, N.Y. and took a side trip to Niagara Falls.
