A Word from Ana

Hello All,

Walking across the grass this morning, I finally felt that cool breeze that signals that fall season is here! As the temperature drops and daylight time changes, the leaves' yellow and orange colors will become visible, revealing the trees' fall splendor.

We are midway through our fall semester already and campus life cannot be any busier. Our teachers are working diligently to prepare our students for their college entrance exams while our counselors and support staff continue to guide students through challenging scenarios. While COVID may seem like a distant memory to many, our educators continue to deal with its continuing effects. It is revitalizing though to see everyone's positive spirits and witness all that educators do to make sure that our students are successful.

Your continued support with the hygiene items has been a true blessing for our students in need. Many students have expressed how this act of kindness is what helps them meet their basic needs so that they can continue to excel in the classroom. In many cases, the reason why they continue to show up at school at all.

As we approach the holiday season, be sure to take some time to do those things that you enjoy. And please take a photo (or two!) of those beautiful fall trees and share it with the rest of us. I cannot wait to see them all!

Serving you,
Ana Gonzalez

*"Autumn leaves shower like gold, like rainbows, as the wind of
change begin to blow."*

Dan Millman

Upcoming Meeting - October 11, 2022

Reach One: Mentor One

Our speaker is **Zulema Rodriguez** and she works at Pasadena High School. She will share with us her story of how she ended up being a high school teacher.

Last year, we adopted a teacher and her class. Our project was to provide each student in her class with Christmas gifts of specific books that they wanted.

This year we would like to adopt Ms. Rodriguez as an **Early Career Educator**. Ana will share with us her interesting suggestion on how to implement this support.

We also want to **continue helping to meeting the needs** of this student population. Please consider bringing donations of either small-sized laundry detergent or 2 in 1 shampoo and conditioner. Every little bit helps. If you cannot attend the meeting but want to help, you may send a check to Diane Moose and she will shop for you.

Come to our meeting and bring a friend! You won't be sorry that you did.

Area 3 Fall Workshop

This past month, Ana, Jane and Diane attended the Area 3 Fall Workshop which was held at the Dobie Ninth Grade Campus. The meeting was moderated by Area Coordinator **Barbara Coon**. Our State Representative was TSO Second Vice President **Michelle Grandinetti**. Ana, Jane, and Diane attended a variety of breakout sessions...Ana and Jane for training and, Diane, just for fun.

Breakfast was provided and snack bags were also available. Twenty-five and fifty+ year members were honored with a long stemmed red rose (Of course!). To end the workshop, a brief service of remembrance was conducted to honor those Area 3 members who had passed away since the last workshop. It was lovely.

Here is what our **Vice President Jane Damico** had to say about the workshop. *The "Journey" to Area 3 Workshop was amazing. From the moment you walk into the facilities until you walk out, one feels the sense of unity in our purpose, goals, and mission for the future in education. There was much to learn from the presenters, who were terrific and knowledgeable and shared with resources..*

I could only take 3 courses of 20 courses offered at the workshop, but I walked out with a load of ideas that I hope to bring to our group in the coming months.

Ana, Diane, Jane

TSO Second Vice President
Michelle Grandinetti,
Theta Alpha Area 9

Area 3 Coordinator
Barbara Coon, Sigma Theta

JOURNEY - Which way will you go?

From [DKGTexas.org](https://www.dkg-texas.org)

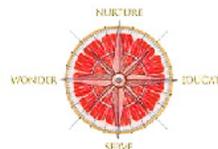

Registration for STAR 2023 is now open. If you are interested attending this fun weekend, don't delay registering...the attendance is limited to space available. [STAR 2023 Registration Form](#)

All sorts of interesting information is to be found in the [Fall 2022 Love Star News](#).

You might be interested in reading the **Gold Piece** written by our own Area Three member Dr. Barbara Derrick. This article, located on page ten, is entitled "School Shooting." In 2018 there was a school shooting at Santa Fe High School and Dr. Derrick lives in Santa Fe. The recent shootings in Uvalde brought back many memories for her.

Plans are well under way for the 94th TSO Convention 2023 in McAllen, Texas. Those plans are being published on a [Convention Webpage](#) so that we can all keep up. It would be great for several of us to attend together!

From [DKG.org](https://www.dkg.org)

From time to time, consider visiting the website of our international organization. There are some interesting items there! Right now I am enjoying reading what members say that DKG membership means to them.
